

Sparkenthusiasm Newsletter May 2013 Edition

The month of May means the end of the school year is just around the corner, so we are planning activities and lessons that both review and apply all that we have learned so far this year. This month, our students will take an online college entrance test to evaluate how much university credit they will get for their knowledge. Also, our level 2 students will take an interactive exam that tests all of their skill areas. Here is the link for additional information as well as videos that show the students participating in these activities.

Our students are going to watch the movie, *Selena*, which is a high interest and inspirational story that nicely illustrates the role of Hispanics in the U.S. Here are 2 links to our popular movies page and our *Selena* page. These links have the trailer and several excellent resources and songs that can be used to teach this movie.
