Summer is here and we start to work on movie packets! We think that movies are a great way to encourage vocabulary growth, expand listening abilities, and learn a ton about culture! They are also an important part of our culture hours' program that we do after school and on weekends with our students. This summer we plan on doing movie packets for *Los 33*, *Intensamente (Inside Out)*, *Up*, and *César Chávez!* We cannot wait to see all of the great materials we will be creating and sharing this summer! Make sure to follow us on TPT to get updates on all of our new materials!
