## Sparkenthusiasm Newsletter Back to School Edition 2015

Hip! Hip! Hooray??? It is back to school time! As much as we love our students, we do enjoy a break from grading papers! We have spent the summer creating some brand new materials to use in our/your classrooms. Take a look and let us know what you think!

First, we have completely redone our music page! We have compiled all of our music videos, activities and resources for easy accessibility for your classroom. We have also added 3 new dances to teach to your students! We now have 21 creative dances to teach your students! Click on a playlist of popular songs, and kids can listen during class, while they take quizzes, etc. [http://www.sparkenthusiasm.com/letras\\_para\\_canciones.html](http://www.sparkenthusiasm.com/letras_para_canciones.html)

\*\*\*We updated our movies page to include all of the movies that our students love.

A great new movie that we will be showing at the beginning of the year is *McFarland, USA*.

It is perfect for all levels of Spanish! This amazing movie is based on the true story of a coach who inspires his economically disadvantaged Hispanic students to achieve both academic and athletic success despite many obstacles. *McFarland, USA* features songs by Juanes and Los Tigres del Norte. There is also cultural information about education among Latinos, poverty, migrant workers, quinceañeras, and many more topics that pertain to Latino life in the US. All who watch this movie will be inspired!

Check out all of the songs and videos on our site that show the challenges faced by illegal immigrants and see inspiring stories about the Dream Act. [http://www.sparkenthusiasm.com/mcfarland\\_movie.html](http://www.sparkenthusiasm.com/mcfarland_movie.html)
