

¡Hola! We hope your school year is going well!

~ First, we have created a super fun game that our students LOVE to play!

It is the Spanish version of Heads Up called ¡Adivina Qué! This vocabulary game can be played as an entire class or in individual groups. Included with the game is an example video from the Ellen Show with Sofía Vergara as well as an article for upper level kids with questions. There are 20 vocabulary themes in ¡Adivina Qué!
