

LAS PROMESAS DEL (DE LA) PROFE...

1. I will do my best to challenge each student individually and appropriately with regard to differing abilities and learning styles.
2. I will be respectful of and honor differences among students. I hope to get to know all students as individuals throughout the school year.
3. I will work diligently to center my preparation and materials on individual student preferences, interests, and learning styles.
4. I am happy to listen to student ideas and concerns as long as they are presented in a respectful and considerate manner.
5. I will provide time in the morning and after school to go over information students did not quite understand, or to review any material that was missed due to absence.

LAS EXPECTATIVAS DEL (DE LA) PROFE...

1. Come **before** or after school to get missed assignments and to make up quizzes/tests.
2. Please be responsible and prompt in making up missed assignments or quizzes. Check your grades often so you know areas in need of improvement.
3. Maintain a sense of responsibility for your learning. Make sure that you are doing all you can to get the most out of this class (and the rest of your academic life).
4. Advocate for yourself. If you do not understand something, please seek additional help before or after school. Questions are always welcome.
5. Please put forth your utmost effort, *always*. This attribute will carry you far in your future endeavors.
