

# THE BEST TEACHERS

Teachers open up young minds,  
showing them the wonders of the intellect  
and the miracle  
of being able to think for themselves.  
A teacher exercises the mental muscles of students,  
stretching and strengthening,  
so they can make challenging decisions,  
find their way in the world,  
and become independent.  
The best teachers care enough  
to gently push and prod students  
to do their best  
and fulfill their potential.  
You are one of those.  
Thank you.
